Regulations

Dear Mike:

I am forwarding for Committee use one full set of CIA Headquarters' regulations. I had requested this new set of regulations for you several weeks ago; however I delayed sending them to you pending receipt of appropriate binders. Regretfully, the production date on the binders has slipped more than anticipated and we still do not have them.

However, in light of your recently expressed request to Fred Hitz for a completed set of Headquarters regulations, I am forwarding this package. As soon as we receive the binders, we will forward them to you as well.

Any future issues in whole or part of Headquarters regulations will be forwarded to you as they are produced.

Sincerely,

25X1

Assistant Legislative Counsel
